Oakway Road Pavement Preservation Project

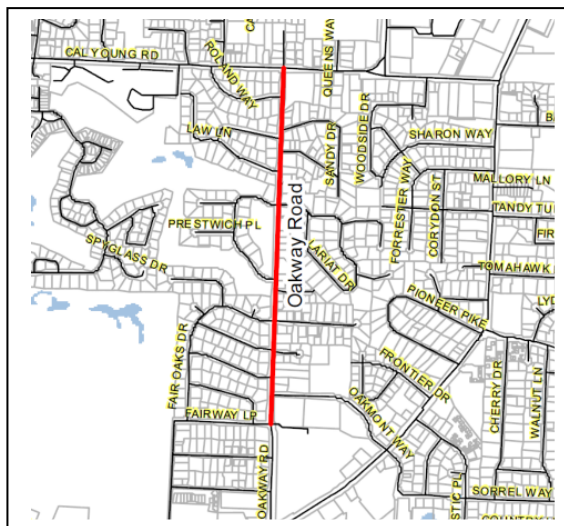

Paving of Oakway Road from Cal Young Road to Fairway Loop

Project Location

- Oakway Road from Cal Young Road to Fairway Loop

Project Overview

- This project will rehabilitate the pavement in travel lanes on Oakway Road by replacing the top layers of deteriorated pavement and removing sections of pavement that have completely failed.
- Parking areas, the center turn lane, and the eastside bike lane will be sealed with an asphalt sealer.
- The sidewalk access ramp at the northeast corner of Sandy Dr. will be replaced to facilitate storm system repairs.

Construction Schedule

- Scheduled Start Date-May 21, 2010
- Scheduled completion date-June 30, 2010

Traffic Impacts

- Oakway Road will be open to two-way traffic at all times, except for brief closures during asphalt sealing operations

Project Funding

- Major Funding Source
 - Local Fuel Taxes
- Minor Funding Sources
 - Stormwater Utility Fees
 - Wastewater Utility Fees
 - Transportation System Development Charges
 -
